

MOSAICO Seating

**Features:**

Mosaico is a puzzle that can be used to solve a range of different spatial constraints. Available in five sizes with different tops as well as upholstered seat cushions. The hexagonal piece enables, amongst other possibilities, the creation of compositions that make closed loops. The corner angle adds an element of sinuosity to the design with its curved side.

Made in Spain.

Options:

- Back cushion to be transformed into mini-sofas

Design: YONOH for SANCAL

Warranty: 5 years

Finishes:

Fixed upholstery in categories 2-12 or COM/COL.

Refer to Sancal fabric [link](#).
