SLIDE-ON DIVIDER Screens

Zenith

Features:

Slide-On Divider Screens provide flexible options for acoustic and visual privacy between work points. The different finishes offer a range of aesthetic styles and can complement any fitout. The screens simply friction-fit onto the worktop and can be easily reconfigured by the end user.

Options

- 24mm or 36mm Sonic Board
- Fabric Wrapped pinnable or non-pinnable

Design: ZENITH DESIGN STUDIO

Warranty: 10 years

Finishes:

Sonic Board: Zenith House Range or other PET on request.
Fabric Wrapped: Upholstered in commercially approved fabric. (Single tone)
Refer to ZENITH House Screen fabrics for full range.
