AARON Stool

Zenith

Features:

Aaron is an elegant and functional solution for all contexts, reducing space and highlighting privacy. It has an embracing seat and a metal core giving rise to a column that becomes a swivel tabletop. With multiple heights and an integrated footrest, Aaron is the ideal solution for all work, meeting and relaxation needs.

Option:

- Base DIA20 for floor fixing

Design: PIO & TITO TOSO for LAPALMA

Warranty: 5 years

Awards: Archiproducts Design Awards 2020

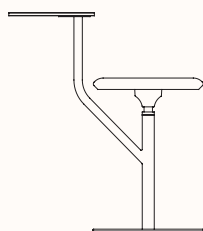

Finishes:

Stool with base and footrest in powder coated steel. Swivel seat in solid ash-wood or upholstered with fire retardant moulded foam covered with fabric or COM. Fabric categories A, B, C, D. Refer to the Lapalma finishes specification. Felt under the base.
