RUMBA Workstation

Zenith

Features:
The robust Rumba Workstation is simple design language in a bold form. Showcasing exceptional stability and strength without compromising on visual clarity, the workstation's mechanisms are hidden from view so as not to disturb the clean lines and resolution. The solidity of the table legs gives the workstation a firmly grounded and purposeful stance. In a moment that demands the versatility of our workplaces, Rumba is a high achiever. With a high focus on enhancing the end users feelings of wellbeing, this system is available in fixed height and electric adjustment.

Options:
- Fixed Height or Electric Adjust
- Castors *(180 Degree single desk only)*

Compatability:
- Precinct, CTRL, Cloud, Framed (S30/S50) Screen
- CTRL Rail compatability: Double Sided rail (1-way or 2-way brackets), worktop mounted and pod mounted
