BIG BIG Lounge Chair

Zenith

Features:

With its simplified block-like structure, the Big Big Chair is a reinterpretation of classic Art Deco lounge chairs. The voluminous shapes are divided into four fully upholstered objects, each piece designed according to ergonomic needs, and put together in a new constellation.

The chair comes on a 360-degree swivel base and can be used in lounge areas and homes. The voluminous and organic shapes of the Big Big Chair provide comfort and a feeling of relaxation.
