METHOD 20 Bin

Zenith

Features:

The New Zealand designed Method Recycling bin is suitable for open-plan offices and activity-based spaces, offering flexibility and achieving sustainability.

The 20L recycling and waste bins create flexible recycling stations for smaller shared spaces such as boardrooms, studios and kitchenettes. The 20L bins are only available with open lids

Options:

- Green plastic bin liners (compostable)
- Vinyl adhesive labels

Design: INDIA KORNER & STEVEN KORNER FOR METHOD

Warranty: 3 years

Awards: Good Design Award 2020 Product

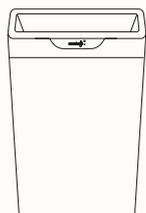

Finishes:

100% recycled polypropylene base with polypropylene lids

Lids:
