

# FRAMERY SIX

**Features:**

Introducing the Framery Six: a cutting-edge meeting room tailored for collaborative teamwork, accommodating up to six individuals. This versatile, soundproof haven is meticulously designed to foster both face-to-face and hybrid brainstorming sessions, enhancing productivity and innovation.

Combining the best features of a larger meeting room into a convenient, modular package, the Framery Six offers a luxurious and spacious interior equipped with a proper-sized meeting table. Customize the seating to suit your preferences, further enhancing comfort and collaboration. With its low threshold and minimalist design ethos, featuring carefully curated sustainable materials, the Framery Six sets the standard for modern meeting spaces.
