DTN

A collection of multi-purpose tables with smart bag hooks, designed by Taku Kumazawa's father.

DTN SQUARE & RECTANGLE TABLE**FEATURES**

The table combines the use of glides and castors available in various combinations making them versatile and functional for conference and training purposes. The legs can be specified either on 4 glides, 4 castors or 2 glides and 2 castors. The frame is made from aluminium steel available in white powder coat. The light-weight table top is manufactured in white with ABS edging. The table unique features are the 4 hanging hooks on each corner of the table allowing the users to hang accessories to be kept off the floor.

FINISHES

Table Top with ABS Edging: White, grey or light wood
Aluminium and steel frame: White or silver

CARE & MAINTENANCE

Avoid scourers and abrasives as they will damage the surface. Avoid waxes and polishes as they dull the natural shine. Do not use strongly acidic, alkaline cleaners or bleach for normal cleaning as these might ruin the surface.

An all-purpose cleaner such as Windex spray cleaner or Ajax Spray n Wipe will remove marks.

For grease stains use a mild dishwashing detergent in water will remove greasy marks. Dab, wait and wipe away. Finish with an all-purpose cleaner such as Windex spray cleaner or Ajax Spray n Wipe.
