Zenith

ALPHA SPACE Workboard

Features:
Alpha Space provides a mobile collaborative tool for flexible work-spaces. The four optional substrates; whiteboard, laminate, pinnable fabric & sonic board provide a surface for brainstorming and idea sharing, pinning images, and sticking post-it notes.

The connecting cross beam has a curved profile which acts as a comfortable pull handle making it easy to relocate around the work-place from one team setting to the next.

Design: ZENITH DESIGN STUDIO

Warranty: 10 year warranty on the frame, 2 year warranty on whiteboard and any other panel selected

Options:
- Four different board substrates to be applied in three different ways, see page 2
