SUMO Lounge

Zenith

Features:
Yonoh presents a sofa with a Japanese touch. Sumo as its name suggests, takes its inspiration from the powerful silhouette of sumo wrestlers, contrasted with the light wooden clogs that they use to and from the ring (dohyō).

The strong curves and reduced dimensions make it an ideal piece for the contract market. The raised seams help to define the curved lines of the model. Despite its hefty appearance, Sumo has a small footprint.

Made in Spain.
