FRAMERY FOUR

Features:

Introducing the Framery Four: an ingenious office meeting pod designed to accommodate up to four individuals. This multifaceted, soundproof sanctuary is engineered to facilitate face-to-face meetings and hybrid work scenarios, providing an ideal space for productive collaboration.

Experience unparalleled privacy and clarity within the Framery Four's finely-tuned acoustics and soundproofing. Whether engaging in confidential discussions or virtual calls, rest assured that distractions are minimized, allowing you to focus on what truly matters. With adaptive ventilation and automated lighting, the pod ensures a comfortable and conducive environment for a successful workday.

Spacious interior equipped with two comfortable sofas and ample table space, fostering a conducive atmosphere for brainstorming and strategic planning. Its low threshold offers easy accessibility, while its minimalist design and sustainable materials underscore its commitment to both aesthetics and environmental responsibility.
