SILHOUETTE Workstation

Zenith

Features:

Silhouette provides flexibility and contemporary design elements offering elegance and simplicity as a workstation.

Bench tops take on a floating appearance, the triangular profile gives a purposeful stance, while the slim silhouetted under frame provides an airy atmosphere so forget that below work surface clutter too, we believe floor space is for the user.

The light weight construction allows us to provide an extraordinary combination of variations, enough to suit any application.

Options:

- [180°](#), [120°](#), [90°](#) configurations
- Fixed Height & Tech Adjust
- Sharknose edge
- Precinct, CTRL, S30 and S50 Screens
- CTRL Rail compatibility: Single Sided Rail, Double Sided Rail (1-way & 2-way brackets), Ctrl Screen Rail Elevated & Worktop Mounted
- Floorsight pucks and sensors
- Castors available in 180 Degree single desk only.
