

MOMIC Lounge

Features:

Momic lounge is a modern reinterpretation of the classic 50s sofa shape (**Modern Mid-Century**). Delicate lines, soft curves and organic shapes create a seating family of elegant simplicity and timeless appearance. The light structure gives it an airy appearance; the loose cushions and their stitching on the backrest provides a subtle, distinctive detail. The back cushions are reinforced with foam, so they remain firm when sitting down.

Options:

- Two seat sizes are the starting point to create 2 and 3-seater sofas, modules with or without armrests, a variety of chaise lounge possibilities, a pouf, terminal pieces and a 45° angled module to give shape to all kinds of compositions
- Corner cushion
