# BOLETE Modular lounge

Zenith

## Features:

A bold expression of pop culture and personality, this modular sofa brings character to any space. Built around a single upholstered module, it enables fluid, curved configurations that foster both connection and a sense of intimacy.

Its organic base, ergonomic comfort, and versatile upholstery options create a highly adaptable system, while its commitment to circular design ensures a more sustainable approach. Bolete Lounge BIO is designed to stand out—inviting, distinctive, and memorable in any environment.
