CIRCO Conference

Zenith

Features:

Circo is a functionally simple, light work chair for ad hoc touch down environments. Featuring a permanently floating action and a mesh back that morphs to support the user.

Circo's designer Justus Kolberg worked closely with toolmakers and injection moulders to exploit the latest technical possibilities of a complex single piece frame. Circo is suitable for both conference and meeting environments.

Circo is made in the United Kingdom.

Options:

- CR1 Conference chair, static yoke with castors
- CR2 Conference chair, dynamic yoke with castors
- CR3 Conference chair, static yoke with glides

Design: JUSTUS KOLBERG FOR THE SENATOR GROUP

Warranty: 5 years
