

DTN Table

Features:

DTN is one of Aichi's multi-purpose tables with smart bag hooks. The table combines the use of glides and castors available in various combinations making them versatile and functional for conference and training purposes. The table's unique features are the 4 hanging hooks on each corner of the table allowing the users to hang handbags, etc., to be kept off the floor.

DTN Table is made in Japan.

Design: TAKU KUMAZAWA for AXONA AICHI

Awards: Good Design Awards in Japan

Options:

- The tables are available in 2 different sizes with square or rectangular tops.
- The legs can be specified either on 4 glides, 4 castors or 2 glides and 2 castors.

Warranty:

5 years: Structural components (frames, shells, and bases)

2 years: Mechanism, casters, stoppers, and wear on mesh fabric & standard fabric

1 year: Appearance (paint, resin, and plating) and glide

Certifications: GECA

Finishes:

- The frame is made from aluminium steel available in white or silver powder coat.
- The light-weight table top is manufactured in white, grey or light wood melamine with ABS edging.
