# BEAT Ottomans

## Zenith

### Features:

Colour, mobility, and flexibility define Beat; a versatile seating solution with a fluid, organic form. Neither square nor circular, its distinctive shape sets it apart from traditional designs, adding a sense of movement and dynamism. Whether used on its own or paired with occasional tables, Beat can function as a seat, ottoman, or casual perch.

Available in three sizes and a wide selection of textiles or leather upholstery, it adapts effortlessly to a variety of spaces and uses.
