# CAPRI Executive

## Zenith

### Features:

The Capri Executive chair combines refined design with functional versatility, making it ideal for corporate and private workspaces. Available in low, mid, and high back options, it offers flexibility across different settings, with a choice of glides or castors for ease of movement.

Its four- or five-star swivel base, crafted from 100% recyclable aluminium, features a self-return system for added efficiency. Designed with or without upholstered arms and the option of a walnut backrest, Capri Executive brings a sense of warmth and sophistication while adapting seamlessly to a range of executive environments.
