NIDO Chair

Zenith

Features:

Nido is the Spanish word for nest. A nest is home for a number of species and inspired Rafa Garcia to create this small compact comfortable arm and dining chair. The chairs versatility can be found in four leg options. It is a family of warm and cozy chairs refuge for everyone. Available with piping to separate the seat from the back and sides.

Made in Spain.

Options:

- The upholstery is available in two versions: tightly tailored or quilted
- Wooden feet, basic wooden feet, metal feet or central foot with wheels
