HEED Footrest

Zenith

Features:
Heed was inspired by the evolving needs of healthcare, aged care and retirement environments, yet designed for every space where comfort, connection and wellbeing matter. With its supportive form, warm materiality and contemporary aesthetic, Heed brings a sense of welcome to interiors across healthcare, workplace, hospitality, education and community settings.

Designed as a natural companion to the Heed Lounge Chair, the Heed Footrest offers a comfortable place to rest and elevate the feet. Its considered proportions and upholstered finish provide an added layer of relaxation across healthcare, aged care, retirement living, hospitality and broader commercial environments.
