

Swiss Design Care & Maintenance

Fabric

Example: Upholstered items such as lounges

Care: Protect from direct sunlight as this may lighten fabrics. Vacuum regularly on low suction. Regularly rotate reversible cushions to allow even fading.

Leather

Example: Upholstered items such as lounges

Care: Protect from direct sunlight, direct heat and weather. Regularly dust with a clean dry duster.

Powder Coat & Chromed Steel

Example: Chair legs and table bases

Care: Wipe down with a soft damp cloth. Do not use abrasive cleaning products.

Laminate

Example: Desks, tables and storage units

Care: Clean with a soft cloth, using non-abrasive cleaning products. Wipe any liquid spills away quickly.

Gabriel Nemo

Wash or dry cleaning P(W). Nemo is made of polyester which is a material suited for environments with special requirements for cleaning. It is washable at 40°C in hand or in a washing machine. Regular gentle vacuum cleaning helps to preserve the fabric's attractive colour and appearance.
