# Folk Chair

## Zenith

### Features:

Folk is both timeless in its seemingly familiar design, and timely in its modest and ingenious flexibility. A range of wood, plastic and Aluminium finishes, different colours and upholstery options allow you to change Folk's flavour so that it can appear like a range of different chairs that somehow sit together harmoniously in one space. Stackable up to 4 high.

Folk is made in the United Kingdom.

### Options:

- FLK101 Side chair, wood seat & back
- FLK103 Side chair, plastic seat & back

**Design:** PEARSON LLOYD FOR THE SENATOR GROUP

**Warranty:** 5 years
