

JAC

4-Leg Chair

Features:

The perfect union of elegance, functionality, and sustainability, the JAC 4 leg chair effortlessly fulfills the seating needs for a multitude of workspaces. Jac 4-leg Chair is stackable up to 6 high and 2 high with an upholstered shell. As part of our sustainability commitment, with every JAC sold a tree is planted. JAC shells are now constructed from 95% post-consumer recycled polypropylene, making JAC an even more environmentally responsible choice.
