

AUKI Lounge Chair

Features:

There are moments during the day that go beyond a right angle and seek the sinuous embracing line that supports the body, protects and relaxes it. These are moments for the AUKI Lounge Chair. Like a shell, its curved shape gently opens up to create a subtle armrest. The headrest and stool complete its sheer comfort and transform the chair into an elegant chaise-longue.

- 4 leg, swivel 4-star (flat) and round bases with optional return mechanism.
- Return mechanism on the 4-star and round base
