Our warranty is limited to products being used in the way they were originally intended and will not cover damages resulting from normal wear and tear, misuse, damages in shipping, failure to follow instructions, unauthorized repair or alterations, fire, flood or other natural disasters.

Warranty Does Not Cover

Any damage arising from insufficient care, or from non-compliance with the supplied instructions and advice for receiving, assembling, using, maintaining and storing, general wear and tear or natural fading of the materials used; corrosion originating from scratches or abrasions that result from general wear and tear, or which cannot be repaired with touch-up paint; the corrosion of parts due to use in a confined or chlorinated environment; any changes in the visual appearance of timber that are directly linked to aging.
