

VIBE

Lounge

Features:

The Vibe lounge blends 1970s-inspired heritage with contemporary flexibility. Its compact, rounded form offers a welcoming silhouette for both residential and public spaces, while removable covers allow easy updates, maintenance, and extended lifespan. Oversized quilting enhances comfort, contrasted by clean outer surfaces and bold piping for definition. A sculptural, lacquered metal frame with felt glides adds structural support and visual character. With extensive upholstery options and a design focused on durability and material separation, Vibe is a versatile, long-lasting piece.
