RUMBA 2DJ Workstation

Zenith

Features:

The robust Rumba Workstation is simple design language in a bold form. Showcasing exceptional stability and strength without compromising on visual clarity, the workstation's mechanisms are hidden from view so as not to disturb the clean lines and resolution.

Options:

- Screens: Compatibility depends on workstation configuration type. Refer to [Zenith Screen Matrix](#)
- Cable management: Compatibility depends on workstation configuration type. Refer to [Zenith Cable Management Document](#)
- CTRL Rail compatibility: 180 degree desk only

Design: ZENITH DESIGN STUDIO
