## Lounge Chair

### Features:

Planta Armchair, designed by Yonoh, translates the organic elegance of tropical foliage into a refined and comfortable seating solution. Characterised by its soft, enveloping lines and generously sized seat, it promotes a relaxed yet supportive sitting posture. The wide, gently curved backrest embraces the body, while the signature armrests formed by a metal frame that wraps around the back and integrates padded support enhance both comfort and visual fluidity. Suitable for lounges, waiting areas or offices, the armchair is available with wood or metal with felt pads for smooth and delicate floors or PP pads for abrasive floors and carpets or fixed 4-star base with non-slip pads and self-centering swivel piston.
