# KISSEN CONFERENCE Table Omni Fold Zenith

## Features:

Kissen conference is a collection of folding tables with a unique two way folding feature. This omni fold feature allows for activation from both sides of the top and rapid usability. The lightweight frame also makes it easy to move and reconfigure. The leg comes with table reticulation through the leg and various cable duct options, all with inset GPO holders.

For tables 900H and above, a join beam is required.

## Options:

- Round, square and rectangle worktop
- Standard 25mm tops and 33mm tops on request
- Height: 720, 900 & 1050mm
- Linear or 45° Leg: 4 or 6 leg tables
- Lockable castors or glides
- Cable management: Omni access with square edge, sharknose edge or sharknose edge with reduced weight, Fixed Duct, Duct Closed and Hinged Duct Open
