

ORU Table

Features:

Formal beauty designed for the circular economy, the Oru Table expresses a refined balance of craftsmanship and detail through soft, rounded, and carefully considered geometries. This eco-designed collection is created with sustainability in mind, offering a minimal carbon footprint and ensuring all components can be easily separated and recycled at the end of their life cycle.

Available in both dining and meeting versions, it comes with a round top in three sizes and a rectangular top in three widths, making it a versatile solution for a range of spaces.
