OMBRE Workstation

Zenith

Features:

Ombre is a versatile workstation system designed to support today's blended workstyles, seamlessly adapting between focus, collaboration, and learning. Configurable as desks, linear runs, PODs, pie shapes, and 180-degree arrangements, it is available as fixed height or electric-adjust. Engineered for strength and longevity, Ombre features a reconfigurable kit of parts, streamlined installation, and integrated cable management with hinged trays and leg-mounted covers for a clean, uncluttered aesthetic. Compatible with a range of handset controllers, including Zenith Connect, Ombre delivers a durable, flexible, and future-ready workspace solution.

Options:

- Screens: Refer to Zenith Screen Matrix on website
- Ctrl rails: Compatible with all 180 deg configurations (worktop mounted)
- EA Handset Controller
- Ombre cable management:
 - 96mm duct
 - 150mm duct
 - 250mm duct
 - Duct bridges
 - Hinged Cable Tray
 - Frame Cable Clips
- Worktop mount cable management: Refer to Zenith Cable Management Specification Sheet on website
