HOURS

By Zenith Design Studio

Make your lounging moments count with Hours

Zenith has long understood that high performance, configurable lounges create gathering places where ideas flow and real connection happens. Whether an hour-long meeting, or a quiet minute of respite, the right lounge can make every moment count.

Hours has an inviting pillowy form, with a generous seat profile supported by a distinctive timber blade leg. It's spacious appeal, complemented by the sleek leg exhibits an elevated yet welcoming design language.

The new Hours range from Zenith Design Studio is a cleanly styled family of modular lounges and ottomans that can define and elevate any lounge space.

With so many hours spent in the workplace, a modular lounge that offers immersive comfort, style and versatility can make those hours well spent through meaningful, productive connection. The extensive configuration options offered by Hours provides a sustainable lounging solution that suits a multitude of spaces.

Zenith Design Studio

We're a design and experience centric studio who create furniture solutions based on our intimate understanding of the workplace and workplace behaviours. We apply our expertise in interior architecture and product development to create progressive, high performance workspace solutions.

In our Design Studio you'll meet our team of 30+ experienced product designers, mechanical engineers, product configurators, immersive experience developers and visual content creators. Our cyclical process of listening, investigating, experimenting, and learning, provides a proven platform for understanding the unique requirements of our clients.

Zenith | curators of the
modern workspace

We've worked with interior designers, architects and workplace curators for many years. Together, we've developed a range of internal workspace environments. We work alongside these curators of modern workspaces to redefine the environments where people live, work, socialise, interact and learn.

Contemporary workplaces have to combine leading edge technology and physical elements in a way that produces productive environments for organisations. And every organisation is unique. So before we recommend a solution, we work hard to understand the organisation and the people who define its culture.

Our local teams and showrooms deliver the support you need. Our global logistics guarantees the highest quality product, service and delivery schedules.
