AD-LIB Scholar

Zenith

Features:

Scholar recognises the changing nature of learning environments. Today the structured formality of learning environments is being replaced by the need for more interactive and flexible spaces, where students move continually from collective to individual settings.

Castors and the swivel mechanism ensure the chair can be moved quickly and efficiently into any required sitting configuration. The addition rotational foldaway tablet is a key element of this flexibility whilst the under seat storage tray and drink holder complete the holistic solution.

Ad-Lib is made in the United Kingdom.

Design: PEARSONLLOYD FOR THE SENATOR GROUP

Certifications: BIFMA

Warranty: 5 years
