BESIDE Chair

Zenith

Features:

BeSide work chair encourages open and diverse collaboration in shared, team and large group environments. Designed to facilitate and respond to movement, BeSide's open design allows for 270° sitting with or without armrests. The flexible curved back is contoured with rounded corners to allow interactive posture and position shifts while maintaining lower back support. The stacking chair can be stacked up to 6 high or 10 high with the trolley.

Options:

- Armrests
- Seat pad
- Castors
- Stacking trolley

Design: FORMWAY
