

TORTUGA Lounge Chair

Features:

Inspired by the protective form of the Galápagos tortoise, the Tortuga Lounge Chair and Mini Lounge Chair are designed as a place of retreat, inviting users to relax, read, or unwind in comfort. Defined by a gently enveloping silhouette, the chairs balance timeless character with contemporary simplicity. The Mini version offers the same comfort and visual identity in a more compact footprint, making it ideal for residential settings as well as space-conscious environments such as cafés and hotel rooms. Clean lines and thoughtful proportions ensure versatility, while the design's enduring appeal reflects a focus on longevity and everyday ease.
