TORTUGA Mini Lounge Chair

Zenith

Features:

After the success of its forbearers, the design studio Nadadora proposes some comfortable mini lounge chairs that will be a delight in any space, also, they are suitable for projects like cafés and hotel rooms where space is compromised. Tortuga is an upholstered armchair characterized by an original and extremely modern design. Its particular shape was inspired by the tortoise animal. A tortoise carries its home with it, so our Tortuga, as the chair has been named in Spanish, is warm, cosy, soft and even rotates. A true slow-lounge-chair.
