

CORE Sofa

**Features:**

Core's volumes show matter in its pure state. Its formal design, which brings to mind classically-inspired furniture and shapes, presents its most contemporary facet through the materials used. Its generous and comfortable seat is embraced by a delicate quilted back. The balance of the Core resides in the harmonious union of its parts, which naturally fit together like elements chiselled by a sculptor, as if they have been built from a single block of material.

Design: NOTE DESIGN STUDIO for SANCAL

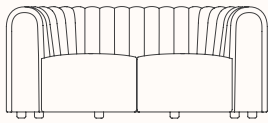

Warranty: 5 years

Finishes:

Fully upholstered in fabric.
