

# VESPER

## Occasional Table

### Features:

The Vesper occasional table draws inspiration from the smooth, organic shapes of river pebbles. Featuring sculptural bases made from Stonacril, a blend of stone and resin, tops in either matching finishes or stained solid ash, the design captures the fluid beauty of nature. Available in multiple sizes and two heights, Vesper offers a flexible and harmonious balance of form and function.

**Design:** SEBASTIAN HERKNER for SANCAL

**Warranty:** 5 years

### Materials:

**Top:** Wood or Stonacril Board
