CONDO Workstation

Zenith

Features:

Condo is a family of workstations and configured to include pods, Linear Runs, and Single Desks.

Condo settings use the proven engineering performance of the Orbis height adjustable leg, support frame and electronic platform. Condo is compatible with the various Zenith handset controllers, enabling a broad spectrum of ergonomic features. Several pragmatic cable management solutions are also compatible with Condo, along with the inclusion of screening products, such as Precinct Screens and Simpl Screens.

The shroud design celebrates design freedom by combining powder coat steel and laminate. This material selection can assist to anchor a space.

When combined with Highrise Arcade and Highrise Towers, Condo unlocks dynamic new layouts – blending planters, pod style desking, touchdown work points and tele-desk configurations. Offering a refined visual language, Condo delivers structural integrity, design unity, and adaptability in one streamlined workspace platform.

Options:

- 180° configurations: Runs or pods
- Screens: Compatibility depends on workstation configuration type.
Refer to Zenith Screen Matrix on the website
- Ctrl Screen Rails
- Cable management:
 - 96mm duct
