

KHYN Drafting Chair

**Features:**

The Khyn Drafting Chair is a versatile seating solution for modern workplaces. The breathable mesh back and upholstered seat with removable cover, ensures both comfort and easy maintenance. The seat is both height and depth adjustable, allowing users to customise their seating position for improved ergonomic support.

Promoting better posture to reduce strain during long work hours, the Khyn Drafting Chair is designed to enhance productivity and comfort, making it an ideal choice for any workplace environment.
