WING TIP Lounge Chair

Zenith

Features:

With the swallow-wing armrests that evoke the sky and lightness, the Wing Tip lounge chair gives shape to our desire to relax before a trip or a meeting.

With its elegant and discreet volumes, it is ideal for waiting at an airport, in a museum, restaurant, office or home.

Wing Tip has been based on the principles of sustainability, from its shell made of a single recyclable material to its upholstery, without the use of glues, which envelops and protects.
